Our work Profile

Founded in 2007, started as a Project Dealer (sales & service providers). It has been a long & Enterprising journey for the Company wherein we have explored new horizons of HVAC solutions.

Our business quickly grew from customer and vendor referrals and Today we are a leading Air-conditioning system dealer in Pune, catering requirements of Industrial, Residential and Commercial customers.

We have a perfect blend of a young and experienced team of trained manpower, with innovative ideas and youthful thoughts.

Over the years, our growth trajectory attracted the attention of major, esteemed air conditioner equipment manufacturers, notably

LG Electronic India Pvt. Ltd.
Daikin Air-conditioning India Pvt. Ltd.
Mitsubishi Heavy
Blue Star Ltd.
Voltas Ltd.
Panasonic India Pvt. Ltd.
Carrier - Midea India Pvt. Ltd.
Cruise Appliances India Pvt. Ltd.
ETA General Pvt. Ltd. (O General)
Samsung India Electronics Pvt. Ltd.
Lloyd | TCL | IFB | Onida and many more...

with Whom We are associated as Proud Channel Partners.

We're proud of our Product line up and look forward to helping you with your air conditioning and heating needs. We're pleased to serve Industrial, residential and commercial customers; our team is prepared to help you with the sales, service, and installation of the comfort system that is ideal for your home or business.

We have identified the current air-conditioning market requirement and accordingly We have proposed & executed projects with perfect brand products. We have successfully executed projects of VRF systems, Duct able systems, Cassette type air-conditioning systems and Hi wall type air-conditioning systems meeting the most stringent time schedules and commitments, and well in line with the vision of our Architects, Consultants and Customers.

We are persistent in the direction of expansion and growth of the company. We have been successful in expanding our customer base in and around Pune District and we anticipate surpassing newer milestones in the years to come. Our focus is on vertical as well as horizontal expansion of the organization.

Our Prime focus is to provide effective, efficient air-conditioning system with utmost Customer's satisfaction and we aim to achieve it with our experience, Knowledge and dedication.

Our Enthusiastic Team Members

Our success is powered by a dynamic blend of talented junior professionals and seasoned veterans, all highly trained and equipped for immediate action. Our integrated team structure means you have direct access to experienced Sales personnel, dedicated Site Supervisors, professional Engineers, Designers, and certified Technicians. This cross-functional unit is ready to tackle any challenge.

Streamlining collaboration is key: Our specialists work seamlessly with your Architects and Interior Decorators. Furthermore, every field technician and engineer is equipped with modern communication tools, ensuring real-time coordination between our office and your site.

Result? Our rapid response system has successfully driven downtime to under 24 hours, guaranteeing minimal disruption to your operations.
